Parent and Student-Athlete Concussion Statement**

I understand that it is my responsibility to report all injuries and illnesses to my coach, athletic trainer and/or team physician.

I have read and understand the Concussion Fact Sheet.

After reading the Concussion Fact Sheet, I am aware of the following information:

Parent Initial	Student Initial	
		A concussion is a brain injury, which I am responsible for reporting to my coach, athletic trainer, or team physician.
		A concussion can affect my ability to perform everyday activities, and affect reaction time, balance, sleep, and classroom performance
		You cannot see a concussion, but you might notice some of the symptoms right away. Other symptoms can show up hours or days after the injury.
		If I suspect a teammate has a concussion, I am responsible for reporting the injury to my coach, athletic trainer, or team physician.
		I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion-related symptoms.
		Following concussion the brain needs time to heal. You are much more likely to have a repeat concussion if you return to play before your symptoms resolve.
		In rare cases, repeat concussions can cause permanent brain damage, and even death.
