

# Assurance Form

If your child will be attending on-site classes this form must be filled out and signed by parent or guardian of each student attending class.

By not following the Screening at home, mask mandate or immediate pick up of a student with Covid symptoms, they may be excluded from further on-site class learning and will be moved into a virtual class to continue learning from home. As we begin the 2020-2021 school year, DWCS wants to assure you that we are working with the Louisiana Department of Health and Louisiana Department of Education to ensure a safe and strong start to the 2020-2021 school year.

If student or someone living in home or close contact with student is Covid positive you will contact DWCS and keep student at home.

Masks are required to be worn on the bus and in grades 3<sup>rd</sup>-12<sup>th</sup> .

We cannot accomplish this goal without the help of parents and guardians keeping sick students at home and daily screening before sending to school.

Students that have these symptoms should not be sent to school. If sent to school with the follow symptoms they may be sent home to isolation for 10 days. Symptoms may include but not limited too:

- fever
- cough
- shortness of breath/increased work of breathing
- loss of sense of taste or smell
- sore throat
- nasal congestion/nasal discharge
- nausea/vomiting/diarrhea
- myalgias (muscle aches)
- headache
- fatigue

In the event that a student has to be sent home, the student must be picked up from school **immediately** (less than one hour) by a parent or someone that is authorized to pick up the student. This is in order to ensure the safety of the students, faculty, and staff in the building.

**Must list 3 persons that will be able to pick up the student if initial contact person cannot be reached.**
