

<p style="text-align: center;">HIGH SCHOOL INFORMATION/SUPPLIES/CHROMEBOOK REMINDERS 2021-2022</p>
--

GET ENGLISH NOVELS NOW!

High School English supply list has been posted due to the fact that all students for the most part will be required to take English and novels need to be ordered prior to the start of school.

OTHER COURSES SUPPLIES? WHAT TO BRING THE FIRST WEEK?

All other high school courses will be giving out their supply lists during the first week of school and students will be given time that first week to get their supplies.

They can bring just a small notebook with paper and a pen or pencil to class during the first week.

CHROMEBOOK FEES

For high school the priority is the CHROMEBOOK and the fee MUST be paid before a student is issued a Chromebook. All students in grades 8-12 must pay their Chromebook/Technology fee during Orientation or before the first day of class if at all possible. This fee is \$75 and includes insurance for normal wear and tear along with the charger (which the student can keep).

CHROMEBOOK DAMAGE/CHARGES

We will be getting a new set of Chromebooks this year so please remind your students to read the policy in the handbook and be aware of costs they may incur for damage to their device beyond normal wear. They MUST keep up with THEIR device at all times and not lend it out or leave it anywhere unattended.

CHROMEBOOK CHARGERS/REPLACEMENT COSTS

Chromebook chargers will be issued with the Chromebook and will belong to the student to keep. They can label it however they would like. If a Chromebook charger is LOST or no longer working they are responsible for replacing it at a charge of \$30.00. They can also be purchased at most local retailers or on Amazon. Search for the USB-C universal Chromebook charger.
