If we are still under covid restrictions, these novels will need to be purchased. It is also a good idea for each student to have their own copy to be able to read at home. This is the order in which we will read them. You do not have to purchase them all at one time.

NOVELS

The Giver - Lois Lowery (They need this one the first week of school.)

A Christmas Carol - Charles Dickens (unabridged version)

The Hunger Games - Suzanne Collins

Written in Bone - Sally M. Walker (This one can be expensive so wait to find out if you need to buy it or not.)
