

## **Schools and School Systems**

The Steve Carter Tutoring Program provides \$1,500 vouchers to families of eligible K-12 public school students per school year. The digital vouchers can be used to purchase high-quality literacy and math tutoring. The program is part of the Louisiana Tutoring Initiative and is named after the late Baton Rouge State Representative Steve Carter. Established in R.S. 17:4032.1 through <u>Act 415</u> of the 2021 Legislative Session, the program was expanded through <u>Act 649</u> of the 2024 Legislative Session.

- Available to K-12 grade public school students who are below reading and mathematics proficiency.
- Tutoring sessions must be held after school hours, in-person or virtually.
