The portable building is still an issue. They have begun discussing legal action. They will not stamp in place. The issue is not between company and manufacturer on how to resolve it. It is not impacting student services. With the other property, succession is still underway. Floor plans are available for board to view. Should receive bids in December and recommendations in January. The building should be completed by the first football game of 2025.
Last Friday, Football team won their first playoff game. Next Friday, they will travel for their next game. Private donors and parents have contributed to charter 2 buses.
Mr. Postel is putting together an event in February for elected officials. It will include Brunch and tour of the school. He will keep us posted.
On Wednesday at 10:00 AM, performance scores will be released for each school. Our score is 101.4.
- V. Finance Report.
Jan reviewed financials with the board.
- VI. Discuss and take action to approve new hires. Includes bus driver and subs.
Motion: D. McClendon Second: L. Proctor Passed unanimously.
